

# July 2020 Newsletter

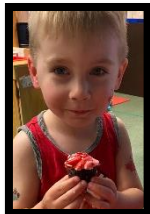

June went by in a blur as we adjusted to pandemic protocols and welcomed several new families. We are now able to open all childcare spaces and have 11 children registered. Our warm and welcoming atmosphere may be achieved a bit differently than usual but we are making it happen! While we are still required to have only one family at a time in the front entrance, some of our long-term families are open to meeting via phone or social media if new families are interested. We are encouraging children to remain in their own bubble and continue to keep toys separate. It helps to be outside enjoying the beautiful weather! While public parks have been re-opened we are not permitted to access them or go on other field trips as a center, but we are enjoying lots of walks in our area, and time in the sprinkler now that the water advisory is done. Please make sure your child has a swimsuit and towel labelled with their name.

## A big welcome to:

Lucy and her parents Amanda and Andrew  
 Addison and Shaelynn, Shannon and Francis  
 Auria, Debbie and Brett  
 Aurelia, Janna and Kelsey  
 Harper, Meagan and Mike

Canada Day Celebrations

### Birthdays this month:

Addy July 3<sup>rd</sup>

Lucy July 13<sup>th</sup>

Kingsley July 29<sup>th</sup>

Enjoying our beautiful yard

### Special days this month:

July 13<sup>th</sup> – PURPLE DAY (Lucy's choice for her birthday)

As part of the Early Years Physical Literacy study we took part in earlier this year we will be focusing on a number of physical development activities this month.
